

A Division of Troy-CSL Lighting

Dear Friends and Partners of CSL Lighting and Troy-RLM Lighting,

In this time of uncertainty, we want to take the time to update you on how CSL-Lighting Inc. and Troy-RLM Lighting is responding to concerns of COVID-19. Our primary goal is to ensure the health and safety of our team.

We are currently fully operational and working steadily to get your orders out on time. Our supply chain remains strong, our people are committed, and we are meeting or beating our published lead times. Customer Service is now available at 6:30 a.m. PST to assist in all your needs.

We have taken proactive measures to ensure the well-being of our team members. This includes working remotely for our office, customer service associates, and distancing for our production teams. Our City of Industry production facility is over 200,000 square feet, which allows our team members to work in a safe and distant environment. We have updated our sanitary standards to exceed all CDC recommendations.

We appreciate your understanding and support during this unprecedented situation and wish you and your family good health. Please stay safe and healthy.

Sincerely,

*Steve Nadell*
